V.F.W. Mission Statement

The purpose of this corporation (VFW) shall be fraternal, patriotic, historical, charitable, and educational; to preserve and strengthen comradeship among its members; to assist worthy comrades; to perpetuate the memory and history of our dead, and to assist their widows and orphans; to maintain true allegiance to the Government of the United States of America, and fidelity to its institutions of American freedom, and to preserve and defend the United States from all her enemies, whomsoever.

Commander's Corner

Hello. At this month's meeting, the members in attendance were given a special treat. Before our regular meeting, we had the opportunity to see and be part of a Purple Heart presentation to one of our young Iraq Vets - Spc. James Smith. He received this for injuries incurred while serving in Iraq (also James is our newly elected Jr. Vice Commander). I would like to thank U.S. Army Sgt. Jerry Hayes for helping me put this ceremony together. He contacted his commanding officer Cpt. Baugh to see if she would do the presentation and she gladly accepted. I want to thank Cpt. Baugh for doing a wonderful and professional job. I know that James will always remember this as we will always remember James for his sacrifice for this country.

By the time you get this, Memorial Day will be past. I hope that some of you were able to attend our service at Valhalla Memorial Garden and then joined us at the Post for lunch.

Be sure and check the calendar to see what is going on at the Post and come out and join us. The success of the Post is its membership.

Commander - Joe Hardin

Post 604 Iraq War Vet gets Purple Heart

On Tuesday May 15, 2012 at VFW Post 604 in Bloomington, the Purple Heart was presented to VFW Post 604 Junior Vice Commander, James W. Smith, for combat wounds he received January 25, 2005 while serving in A Company, 1-24 Infantry Regiment, 1st Brigade, 25th Infantry Division (Stryker Brigade Combat Team) when the vehicle in which he was traveling in Mosul, Iraq, drove over an improvised explosive device. Our thanks go out to Captain Stephanie Baugh, First Sergeant Eric Miller, and Sergeant Jerry Hayes from the Indianapolis Army Recruiting Battalion for assisting in the presentation of this humbling award.

For the Secretary of the Army, Stephanie Baugh Captain United States Army presents Specialist James W. Smith with the Purple Heart before family and post members.

Comrade Smith, thank you for your service and personal sacrifice in the United States' defense against terrorism.

Post 604 Ladies Auxiliary

Bingo is now relocated in the post. Some things are smaller than they used to be, but please hang in there with us. We have a faithful crowd that is willing to support us. If you have any ideas that you think will work better for us all, just let us know. Thanks to all who come out and play, this is how we help community programs, aid Veterans and their families, also schools, hospitals for disabled service men and women.

We have had a lot of tabs from cans this month. Felix and Rose Boatwright came back from Florida with 46 pounds of them - yes, 46 pounds! There are several more who contributed and I will put their names in next month's newsletter. I have misplaced my list of names with the amounts on it, but I will get this corrected.

Donations were given this month for Disabled Veterans, sponsorship of a little league softball team, and summer meals for children. The soup kitchen delivers meals to several places each day along with snacks. These contributions are possible because of our Bingo players donations. The more players we have the more we can give.

Time for a little more history of the VFW; The Ladies Auxiliary to the Laurens B. Strain Veterans of Foreign Wars Post 604, Bloomington, IN received their Charter June 4th, 1924. Arnold Krebs, Post Commander, instituted the Auxiliary; which consisted of thirty-five (35) members. They had their first meeting in the G.A.R. Hall and continued to hold meetings there for the next twenty-five years. The Auxiliary and its members had very little money, so they did a great amount of personalized service in those early days of the Organization. The list of Veteran's families that the Ladies helped in the formative years of their Order is seemingly endless. Mrs. Maude Massey was the first President of the Post 604 Auxiliary and later was also the first Department President of Indiana. Practically all of the members were young married women and it was practice to send each member a Baby Book upon the arrival of a new baby. Even in these times with little or no money, the Auxiliary found the funds to pay the dues of members in adverse circumstances. More next month...

Come and play (bingo) with us and have a fun time. Keep all in our prayers

Janet Williams, President VFW Ladies Auxiliary

Post 604 Men's Auxiliary

Independence Day isn't all that far off. Joe Crawford, our Executive Vice President, is in charge of the Men's Auxiliary efforts to put a VFW float into this year's 4th of July parade here in town. Get in touch with Joe if there's some way you think you can help out, either contributing your time or some materials.

We're always interested in your ideas for activities that

Men's Auxiliary (Cont.)

benefit Post 604 and veterans in general. Please feel free to pass along your suggestions. The best way to attract and keep members is to involve them in events in and around the post.

We've added a few new members and reinstated some returning members in recent weeks. The 2013 membership year officially begins each year in June, so we'll be soliciting dues for your 2013 cards this month. Men's Auxiliary dues remain at \$35.

Our next meeting will be at 6pm on Tuesday, June 19. Feel free to come out and join in.

Mike Pipher, President VFW Men's Auxiliary

Chaplains Corner

As we look to enjoy this time of year with our families and friends, I would like to take this opportunity to express my gratitude to our past Chaplain, Roy Smith, for his service. I look forward to serving those who have served the greatest nation that man has ever known. Your service to this country and her citizens is a testimony to your courage and patriotism, which many have not forgotten!

It is my desire to be available to encourage, and provide insight from God's word that will prove to strengthen you as we travel this journey of life together. If I can be of assistance to you and your families please do not hesitate to contact me, it would be my privilege to come along side you and walk with you through whatever the joy or need may be.

Here is a link to some messages that have been recorded and I trust they will be an encouragement to you as you seek after God.

Seeking Desert Shield/Storm Veterans

The VA's War Related Injury and Study Center in East Orange, N.J., is asking all Desert Shield/Storm veterans to complete an anonymous online survey to help the VA better understand the problems and needs of first Gulf War veterans.

The survey asks for demographic information, deployment experience, physical and mental health problems, and treatments or wellness practices that veterans may or may not be currently using.

Go to https://www.surveymonkey.com/s/WRIISC_PGW to complete the survey.

Camp Lejeune Exposure

The House and Senate Veterans Affairs Committees joined forces to request that the Administration provide immediate VA healthcare to Camp Lejeune veterans and their families who were exposed to contaminated water over a 30-year period. After receiving correspondence from VA Secretary Eric Shinseki that it was "premature" to provide healthcare to these veterans, House Chairman Jeff Miller (R-Fla.) and Ranking Member Bob Filner (D-Calif.), and Senate Chairman Patty Murray (D-Wash.) and Ranking Member Richard Burr (R-N.C.) sent a letter to President Obama to plead their case. The VFW will continue to monitor developments. If you or someone you know was stationed at Camp Lejeune during the time of exposure (1957-1987), please email contact the VFW at: vwac@vfw.org.

Veteran Retraining Assistance Program

Over the next couple of months, the VFW will continue to raise awareness of a new VA employment training assistance program called the Veterans Retraining Assistance Program (VRAP), authorized by last year's VOW to Hire Heroes Act.

VRAP offers 12 months of training assistance to veterans age 35 to 60. Eligible participants will receive up to 12 months of training assistance at the full-time payment rate under the Montgomery GI Bill--Active Duty program (currently \$1,473 per month).

The Department of Labor will also offer employment assistance to every veteran who participates or applies to the VRAP program.

Go to <http://benefits.va.gov/vow/education.htm> to learn more about VRAP.
